Paolo Moschino tells Jennifer Goulding his ideas for an elegant bathroom-cum-dressing room fit for a gentleman

- 1 Taps** Traditional, English-style taps by Barber Wilsons (020-8888 3461; www.barwil.co.uk) are the best for looks and quality. Pictured is the 'GA 6455' three-hole basin mixer with a pop-up waste and 140mm projection nozzle, which costs £401.
- 2 Floor** I have used Arabescato marble for the floors, basin and bath surrounds. It has a beautiful flame-like grain and natural colours. Limestone Gallery (020-7735 8555; www.limestonegallery.co.uk) is an excellent source. Prices start at £147 for a 40cm square floor tile.
- 3 Fabric** I would cover the banquette in 'Brittany Superglaze' (sigaro), 140cm wide, £65 a metre, at Paolo Moschino for Nicholas Haslam. It is a glazed linen

- so that it can withstand the humidity.
- 4 Blinds** 'Leaf Trellis' (brown on white), 137cm wide, £70 a metre, at Paolo Moschino for Nicholas Haslam. It is in the same colour palette as the linen, but introduces a softer touch to the room.
- 5 Lighting** 'Lisaine' desk lamp, 60cm tall, including shade, £260, at Paolo Moschino for Nicholas Haslam.
- 6 Furniture** This nineteenth-century French banquette, 89 x 208 x 72cm, £6,815, provides an appealing contrast to the marble, and the chrome of the lights and taps. It comes from a selection of antiques at Paolo Moschino for Nicholas Haslam. Paolo Moschino for Nicholas Haslam: 020-7730 8623; www.nicholashaslam.com

Viewpoint *We all spend a lot of time in the bathroom, so it needs to be a place where you feel comfortable and relaxed. In my mind, I have here combined it with a dressing room, and decorated it with chrome, marble and mahogany to create the perfect bathroom for a gentleman*
