A dining room scene featuring a galvanized zinc table, a large wicker pendant light, a window with a striped blind, and a vase of fruit.

‘Hubert’s décor has made our house intimate and homely. It’s enhanced the way that we live. This is a place where we shut the door and escape’

**EASY ENTERTAINING**

The galvanised zinc dining table from Andrew Nebbett Antiques is overlooked by a large industrial-style ceiling light from Clignancourt market in Paris. The fabric used for the blind is ‘York Stripe’ by Fermoie, and the scatter cushions are a mix of Fermoie’s ‘Contrast Piped’ linen; ‘Mekong’ fabric by Studio Four NYC; and Paolo Moschino’s ‘Twig Fence’ (available in the UK from Nicholas Haslam). **Stockist details on p245 >**
